Are you in a role that supports school operations?

Would you like to gain a nationally- recognised qualification?

Accredited Training Initiative

What is it?

- Customised training program that delivers nationally recognised qualifications.
- Directly related to the work of staff in schools and the public sector.
- Nationally accredited qualifications from the Business Services Training Package.
- Directly linked to the key objectives in the Plan for Public Schools 2008—2011.

What is in it for me?

- Friendly and well-supported learning environment.
- A qualification relevant to your position.
- Support for career advancement.
- Enhanced confidence to handle leadership opportunities.
- Networking with colleagues across the state.

How will it happen?

- Delivered by the Professional Learning Institute (PLI) in partnership with a Registered Training Organisation.
- Recognition of Prior Learning will allow for current skills and knowledge to be formally acknowledged.
- Offered in regional districts and the metropolitan area, commencing in April 2010 school holidays.

Cost?

- Staff may negotiate with their line manager for full or part payment of fees.
